

Attention Students:

The Ponderosa Counseling office is excited to have students return to campus!

Students are now able to schedule an appointment with their counselor.

Students may only schedule an appointment on their off campus, asynchronous learning days. Counseling appointments will be conducted virtually via Zoom.

- To schedule an appointment, please email the counseling secretary, Ms. Smith at mmsmith@eduhd.k12.ca.us
- If you have specific questions that might not necessitate an appointment, please feel free to email your counselor directly.

If you have a question regarding your college or FAFSA application, please feel free to come visit the College & Career Center or you can email Mrs. Escobar at cescobar@eduhd.k12.ca.us
