

ROP Cosmetology

COURSE DESCRIPTION

Programs begin Spring and Fall

High School Students—12:30pm-4:00pm

Training in theoretical, practical and all phases of hair, skin and nail care, with particular emphasis on chemistry, product knowledge and life science.

Students must complete 1600 clock hours of applied effort set forth by the State Board of Cosmetology, in addition to complying with the educational standards of the Central Sierra ROP. Students will be taught the theoretical knowledge and practical skills needed to pass the California Cosmetology Examinations. Become familiar with business practices and procedures used in most salons. In the exciting career of Cosmetology, you can become a hairstylist, platform artist, salon owner, or one of many opportunities open to licensed Cosmetologists.
