IMPORTANT!!!! College Board/ SAT Registration—CSUMentor Code 3594

If you have registered for the SAT tests and are applying to any California State University, under the schools you want scores sent to, mark CSUMentor Code 3594 and your scores will be sent to **ALL 23 CSU campuses**. Best of all, you are only "charged" for ONE school and can still have three more scores sent to the UCs or private colleges.

California State University Fall Admission Applications

CAL STATE APPLY

- For ALL CSU Applications!

Admission applications for the California State Universities are available online at <https://www.calstate.edu/apply> beginning **October 1**. California State University applications should be filed between **October 1 and November 30**. The application fee is \$55.

Several recommendations for Fall 2018 applicants:

First, apply early—campuses will be closed for the Thanksgiving holiday and will not be available for questions.

Second, have backup plans and apply broadly to several campuses, especially if they are impacted.

Third, test early and send scores by the school deadline.

Fourth, meet deadlines—for applying, testing, housing and accepting the offer of admission.

Finally, check your email frequently (make sure to use an appropriate email address) to guarantee you meet the deadlines!

CSU Conference Highlights:

- Check your school "Portal" frequently for emails and updates to your college application.
- Campuses are admitting students from their **Local Admissions Area** schools first, then remaining students will be admitted based upon their eligibility index (GPA and SAT/ACT scores). Be competitive and don't let your grades slip! **PHS is in Sac State's Local Admissions Area.**
- **Impaction:** 18 of the 23 campuses are impacted. Those schools currently **not impacted** are: Bakersfield, Channel Islands, Dominguez Hills, Maritime Academy and Stanislaus. Meet deadlines or be bumped from eligibility.
- If you are applying to San Francisco State, their **online housing application opens November 1**. First come, first served. Also, double check housing for any other campuses you apply to! Some require fees paid NOW.
