California 30-Hour Driver Education Course

Course Approved by the California DMV

Hours: Students must spend a minimum of 25 hours in this course, though course content is 30 hours long.

Website: www.californiadriveredcourse.com

Course Requirements: Students are required to participate in all fifteen modules of this course. At the end of each lesson within a module, students will be required to sign their electronic signature prior to attempting the quiz. Each quiz will be five questions long and students must score at least an 80% to pass. Additionally, there is a 20 question final exam that students must pass at the end of the course with at least an 80% in order to successfully complete the course and receive their certificate. Students have three attempts in which to pass the final exam before they are locked out of the course.

Who Must Take This Course – Teenagers who are between the ages of 15 ½ and 17 ½ and who want to get a driver's permit from California must complete a mandatory driver education course before obtaining their permit.

Purpose of This Course –

- Present new drivers with knowledge to pass their written test at the DMV and receive their driving permit.
- Instruct students regarding various topics, including but not limited to: driving responsibility, natural forces that affect driving, signs, signals and highway markings, the California Vehicle Code, driving statistics, dangers of impaired driving, etc.

Things to Note:

- Students must validate their identity throughout the course by correctly answering the security questions they were asked during registration. They have 90 seconds to answer each question and cannot answer more than 3 questions incorrectly or else they will be locked out of the course.
- The California Driver Education course contains section timers. Students may not advance to the next section until they have met the timing requirements. They will be able to see their time remaining at the top left corner of their screen.

Time Remaining: 00:00:00

- Students will also be asked to validate their identity throughout the course before taking each end-of-lesson quiz by inserting their electronic signature into a field. They should do so by entering the first and last name they registered with.

Submit

- Students must pass the end-of-course final exam with at least an 80% in order to successfully complete the course and receive their certificate. They have three attempts in order to do so before they are locked out of the course. The student's certificate will be mailed to them within 10 business days once they successfully pass. Students may choose to expedite their certificate either overnight or second-day.
