

## Ponderosa High School FFA Benefit Auction and Dinner

***Thank you in advance for your donation!*** It is with your support that our students of the Ponderosa High School FFA Chapter will continue to experience hands-on, real world experiences in the agriculture industry.

The Ponderosa High School Future Farmers of America, in conjunction with Ponderosa FFA Booster Association, is holding their annual Benefit Auction and Dinner on Saturday, March 17, 2018. This fundraiser features a live and silent auction of donated items, a BBQ dinner and a dessert auction.

This event is our largest fundraiser of the year. It allows us to fund scholarships, farm improvements, chapter activities, and major equipment purchases for the chapter. Your donation of any item(s) and support of our organization is very important to us and greatly appreciated!

If you have any questions please call the dinner coordinator, Mrs. Kasey Hail at: 530-409-0061 or the Booster President: Mrs. Brenda Brown at 916-628-3782 or email us at [phsffaboosters@gmail.com](mailto:phsffaboosters@gmail.com).
