Helped Needed!

***We are in need of Parent Drivers!** Throughout the year we have many FFA events that we need help transporting students to and from, in an effort to make leadership and agricultural opportunities possible. We need a large group of parents who have turned in a Volunteer Driver Form, along with a copy of your license and a printout of your insurance policy details, so that when trips come up, we have a larger pool of parents to ask for assistance. If you would be willing to turn in paperwork to become an approved parent driver, forms can be picked up at the Front Office from Mrs. McCann, or from your student in their ag classes. We appreciate your willingness to help in advance. Thank you for helping make leadership opportunities possible for our students throughout the year!
