evaluatio	The student shall submit assignments to the supervising teacher for evaluation. All assignments must be turned in per the Master Agreement, section C8. If after five days following the return of the student to school and the assignment(s) have not been turned in for evaluation, the student will return to class and no academic progress will be received. The absence will be excused whether or not the contract is completed. However, there will be no credit for ADA generated if the contract is not fulfilled by the student. Upon contract completion the supervising teacher will assign academic and attendance credit.
