

PONDEROSA PATHWAY BRICKS ON SALE NOW!

The Ponderosa High School Foundation is proud to announce the Ponderosa Pathway. Over the last year the Foundation, school administration, and maintenance team worked together to identify a location and plan to permanently install engraved bricks to commemorate the students, families, alumni, and staff of Ponderosa High School. The Ponderosa Pathway will be laid leading into the Bruin Den, our large athletic field.

Bricks start as low as \$100 and funds raised support the Foundation's mission to enrich the education of every Bruin through its mini-grants and scholarships. For info visit the Foundation's website at <https://pondofoundation.com/>
