

PSAT Registration is now open!

On Wednesday, October 11th, Ponderosa High School will administer the PSAT starting at 8am. The PSAT is a practice version of the SAT, a nationwide college admissions test. The exam assesses skills in Math, Reading, and Written Language. Eleventh grade students should take the PSAT not only as SAT practice, but also in order to have an assessment of their strengths and weaknesses, as well as a measure of their ability as ranked against their peers. The exam is also highly encouraged for college bound 9th and 10th graders if they are considering attending a four year college or university directly after high school. Students can sign up online at the following link:

<https://user.totalregistration.net/PSAT/53373>

The cost is \$20.00 until 10/2/17 when the price goes up to \$25.00. Space is limited, and students will be taken on a first come, first served basis until we sell out of tests. Please contact the PHS College & Career Center with questions.
