

Hi Seniors,

Prestige will be on campus one more time October 19-20th to take your senior portraits for the yearbook. You will be making your own appointments through their website. Please read all of the questions/answers below. If you need help, contacts provided at the bottom.

Where do I find my appointment code?

Prestige mailed the appointment code numbers on postcards to all seniors still needing to be photographed. If you did not receive a code, you can still make an appointment online. See below.

How do I schedule an appointment with an appointment code?

1. Go to <https://prestigeportraits.com/>
2. Enter your code # and follow the prompts

How do I schedule an appointment without an appointment code?

1. Go to <https://prestigeportraits.com/>
2. Search by City/State to locate our school
3. Enter First and Last Name to receive your code, then follow prompts to make an appointment

What if I cannot make it on October 19-20?

You will need to call the Prestige Studio and make an appointment at their studio location. Please call: 916-535-7799. You must have your portrait taken by October 31st in order to be in the yearbook.

What if I already took photos but I want photos in cap and gown or tux/drape?

Please contact Prestige at 916-535-7799. They have assured us that there are more people manning the phones and they can help you make an appointment on October 19-20th (or at their studio on another date).

What if I already took photos but did not wear semi-formal attire?

As was our original intention, seniors should have been photographed in semi-formal attire. If you did not take your senior portrait (for the yearbook) in semi-formal attire and you would like to retake your photo, please call 916-535-7799 to schedule another appointment. While we are not requiring students to re-take photos, we would like to have the yearbook as consistent as possible.

What if I have a Prestige-related question?

Please call 916-535-7799 first. If you cannot get through, contact Alyssa Vaniman at Prestige via email: avaniman@lifetouch.com

What if I have a yearbook-related question?

Please contact Tricia Smelser via email: tsmelser@eduhdsd.k12.ca.us
