A photograph of a person standing at the base of a large, multi-tiered waterfall, looking up at the cascading water. The person is wearing a dark jacket, light blue jeans, and a backpack. The waterfall is set against a dark, rocky cliff face. The image has a green overlay at the bottom and right sides, with a jagged, mountain-like shape on the left. The text is overlaid on the right side of the image.

What should I do
with my future?

What should I do
after high school?

Begin with a Career in Mind!

1st Step: Identity Career Goal or Career Interests

2nd Step: Identify Major / Required Training

3rd Step: Identify the Appropriate Post-Secondary Program

Preparation

Job Zone 5

About the Job

Teach courses in drama, music, and the arts including fine and applied art, such as painting, sculpture, or design and crafts. Includes both teachers primarily engaged in teaching and those who do a combination of teaching and research.

What They Do

- Explain and demonstrate artistic techniques.
- Evaluate and grade students' class work, performances, projects, assignments, and papers.
- Prepare course materials, such as syllabi, homework assignments, and handouts.
- Initiate, facilitate, and moderate classroom discussions.
- Maintain student attendance records, grades, and other required records.

Interests

People who work in this occupation generally have the interest code: **SA**.

This means people who work in this occupation generally have **Social** interests, but also prefer **Artistic**

Work Values

People who work in this occupation generally prize **Relationships**, but also value **Independence** and **Working Conditions** in their jobs.

- **UC/CSU Admissions Panel**
- **Community College & Trades Pathways**

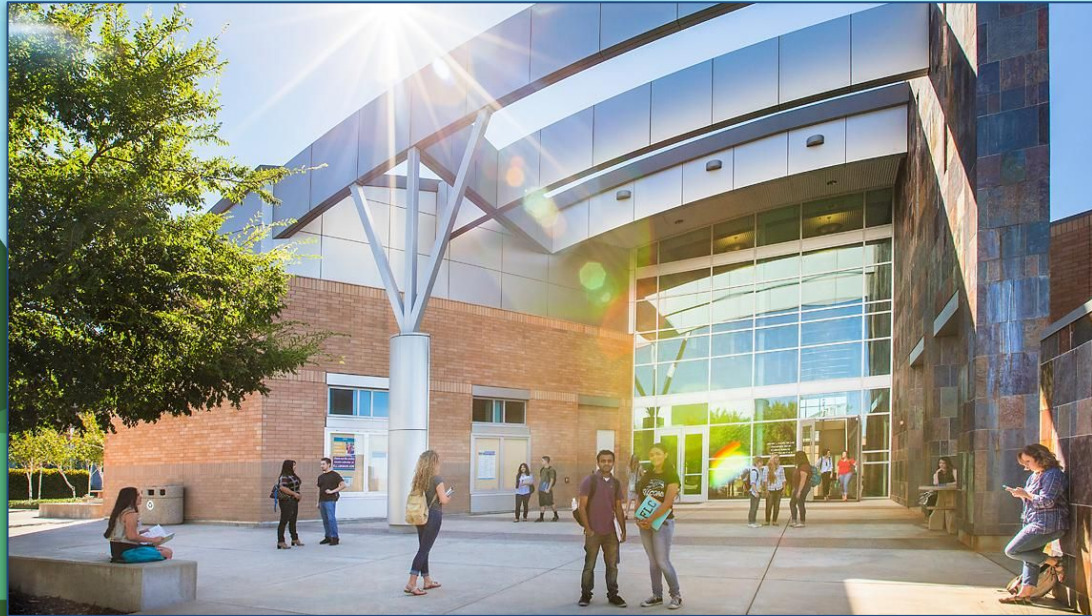

For More Information Visit:
<https://sites.google.com/eduhsd.k12.ca.us/collegefair>

**FREE
EVENT**

**OPEN TO ALL
STUDENTS**

Community College Option

Why Attend a Community College?

1. Career Training
2. Associates Degree
3. Prepare to Transfer to a University
4. You can get a head start in college by Advanced Education Classes while in high school!

Benefits of Attending Community College

1. **Finances - less expensive \$\$\$**
2. **Academics - General Education is General Education**
 - a. Access to highly qualified professors (They have one single job - that is to teach you)
 - b. Smaller classroom sizes
 - c. Academic flexibility
 - d. Certificate / Degree programs
3. **Increasing your chances of getting into a 4-year university of your choice!**

The UC/CSU systems have programs for transfers at CCC which is arguably the best kept secret in CA higher education.

Advanced Education at the Community College

Get a head start on college by earning college credit while you are still in high school - pay no enrollment fees!

- High school students are invited to take classes and earn college credit at any California Community College through the Advanced Education Program. The grades earned in Advanced Education courses will be reflected on a student's permanent college transcript
- Advanced Education students may enroll in up to two (2) courses during any semester

To participate, a student must:

- Be at least 16 years old OR have already completed the 10th grade by the first day of the college class, and be currently enrolled in high school.
- Dual enrollment classes available for students grade 10-12.

WHAT IS A TRADE SCHOOL OR CAREER COLLEGE?

A trade school or career college sometimes referred to as a vocational school, technical school, or vocational college, is a post-secondary institution that's designed to give students the technical skills to prepare them for a specific occupation.

APPRENTICESHIPS

Training in the trades (plumber, electricians, carpenters, etc) provides **SKILLED** hands-on experience leading to full-time jobs.
