

## Ponderosa FFA Floral

Ponderosa FFA Floral (formerly Bruin Blooms) is a student-run organization at Ponderosa High School. Our students are able to fulfill individual and large orders, and we are happy to design for special occasions, weddings, awards ceremonies, memorials, and dances. Our students maintain a cooler in the Ponderosa High School library in order to offer fresh floral designs on a regular basis.

When you purchase a plant or floral design from our program, you are helping a student to gain marketable knowledge and hands-on skills! You will find several opportunities to enjoy plants and flowers all year long on the back of this page. Any proceeds gained from your purchases return directly to the minds and hands of Floral Design students.
